NCMA
MSV
MANUFACTURED STONE VENEER

Note - Certification by this program requires documentation of compliance to ASTM C1670/C1670M, *Standard Specification for Adhered Manufactured Stone Masonry Veneer Units*. This standard is referenced in the 2018 & 2021 International Building Code (Section 2103.1) and the 2018 & 2021 International Residential Code (Section R606.2.6). Refer to manufacturer's instructions for installation information.

This certificate signifies that NCMA has been provided the necessary information to document compliance with the *NCMA Manufactured Stone Veneer Product Certification Program* for the listed product, produced by the listed company at the listed location. No warranties or guarantees about any products or manufacturers are included or implied in this program. By applying for this certification, the listed Company fully indemnifies, holds harmless and defends (collectively "indemnify" and "indemnification") the National Concrete Masonry Association and its members, directors, officers, and employees (collectively, "Indemnified Parties") from and against all claims, demands, actions, suits, damages, liabilities, losses, settlements, judgments, costs and expenses (including but not limited to reasonable attorney's fees and costs), whether or not involving a third party claim, which arise out of the *NCMA Manufactured Stone Veneer Product Certification Program*.
